

Trains

(Materials may vary)

Skills addressed by the Trains task set include:

- matching
- packaging
- measuring
- sorting
- fine motor

What is included?

The Trains task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, hole punch, and apply Velcro (included!).
