

Task Set: Advanced Skills I

Skills addressed by the Advanced Skills I task set include:

- telling time
- visual discrimination
- measurement
- assembly/package
- interpreting data
- size discrimination

What is included?

The Advanced Skills I task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, and apply Velcro (included!).
