

Task Set: Autumn

Skills addressed by the Autumn task set include:

- visual discrimination
- reading
- size concepts
- sequencing
- packaging
- assembly
- counting

What is included?

The Autumn task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, and apply Velcro (included!).
