

Task Set: Ocean

Skills addressed by the Ocean task set include:

- number concepts
- visual discrimination
- fine motor
- comprehension
- using a reference
- packaging

What is included?

The Ocean task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is glue, laminate, cut, and apply Velcro (included!).
