

Task Set: Shapes

Skills addressed by the Shapes task set include:

- reading
- visual discrimination
- part to whole concept
- fine motor
- reading/pre-reading

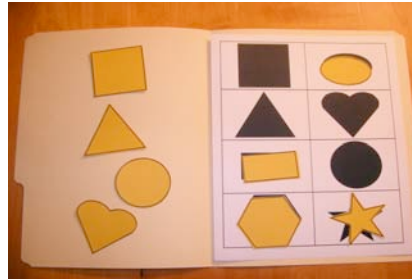

What is included?

The Shapes task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, and apply Velcro (included!).
