

Winter

(Materials may vary)

Skills addressed by the Winter task set include:

- matching
- packaging
- fine motor skills
- lacing
- number skills
- reading

What is included?

The Winter task set comes with all of the materials needed to create 10 activities, step-by-step instructions, a description of how activities are aligned with content standards, and a reproducible data collection sheet.

To complete these 10 activities, all you need to do is laminate, cut, hole punch, and apply Velcro (included!).
